

2024 GALA

SUPPORTING SURVIVORS THROUGH PROCUREMENT

rising for domestic peace

For nearly 45 years, Domestic Abuse Women's Network has been a leading agency advocating on behalf of survivors of domestic violence.

We serve all survivors. Our clients are of all ages, and they identify across all races, speak a variety of languages but are all connected by **one commonality: their experience with domestic violence.**

We promote autonomy and encourage survivors to be the leaders of their own journeys. Our advocates provide them with the support they need to rise up and take back control of their lives to find the independence, peace, and love they deserve.

Last year, we served over 1,200 individuals across all our offered services. We are proud of our agency and the dedicated staff and interns who work endlessly to extend their help and compassion to our clients. **But we cannot do this work alone.**

Partnerships and community support play a large role in our agency's success. Our much-anticipated annual fundraising event **Gala is returning on October 12** with the theme **"Paint the Town Red"** - and we need your help!

Your donation of a product or service to DAWN's Gala contributes to the interest and success of the event's live and silent auctions. These auctions help us raise much needed **unrestricted funding** that not only helps us close financial gaps but ensures that we can continue to best cater to our survivors and their wide variety of needs. Additionally, your donation communicates a message of unity, strength, and **dedication to rising up for domestic peace in our community.**

We look forward to you joining us this year - whether that's in the capacity of a donor, or attendee we are genuinely grateful for your support. **Let's rise together for a safer more peaceful community.**

A quote from a survivor:

"This program has helped me understand that domestic violence is not my fault and that I am a person with a wonderful future and purpose in life."
